Chancellor's **MESSAGE**

MR. PRAVESH DUDANI **Founder & Chancellor,** **Medhavi Skills University**

The year 2024 has been a remarkable chapter in the journey of Medhavi Skills University (MSU), as we continue to redefine higher education by seamlessly integrating skills, academia, and industry. At MSU, we believe in the transformative power of practical learning, and this year has been no different. Our innovative programs have brought unparalleled opportunities for students to learn and grow. By bridging the gap between theoretical knowledge and industry needs, MSU has successfully impacted the lives of over 15,000 students, equipping them with skills that matter.

MSU's vision has always been to create an ecosystem where education becomes the cornerstone of empowerment and societal progress. This year, our partnerships with industry leaders across diverse sectors, including healthcare, IT, and manufacturing, have strengthened our ability to deliver impactful education. Adding another feather to its hat, MSU organized TestAS exams as an authorized centre of g.a.s.t. Academy throughout India to boost international mobility. These collaborations have enabled students to gain real-world exposure, aligning them with the demands of a rapidly evolving global job market. Moreover, at MSU each milestone we achieve brings us closer to our vision of contributing to India's growth by fostering a skilled and self-reliant workforce.

In these extraordinary times, where the AI revolution is reshaping industries and redefining job roles, the need to upskill and adapt to the ever-changing dynamics of the workplace has never been more crucial. At MSU, we embrace this era of continuous learning, ensuring that our students are equipped with skills to thrive in the future.

As we move forward, we aim to empower countless others with opportunities for excellence. Together, with our partners, faculty, and students, we aim to create sustainable impact and transform the educational landscape.

Pro-Chancellor's **MESSAGE**

MR. KULDIP SARMA Co-Founder & Pro-Chancellor Medhavi Skills University

Reflecting on an extraordinary year of growth and achievement, I am immensely proud to share the milestones we have achieved at Medhavi Skills University. This year, we forged significant collaborations with the defense sector, signing MoUs with the Indian Army, Assam Rifles, Sashastra Seema Bal, Central Reserve Police Force (CRPF), and the Indian Coast Guard, to empower defense personnel and their families with industry-aligned training and higher education opportunities.

Our partnerships extend beyond defense. MSU has joined forces with leading industry players such as Polaris, RIICO, Orane, Logicknots, AIHBA, and iACE to create innovative skilling models. MSU has also collaborated with Amrit Mehsana Start-Up Innovation Mission and inaugurated the NaMo iHub for the empowerment of local talent and driving innovation in skill development. These collaborations bring unparalleled value to our students, offering high-quality training, real-world exposure, and a curriculum aligned with industry demands.

At Medhavi, we are driven by a steadfast mission to bridge the gap between academia and industry. This year's achievements stand as a testament to our unwavering commitment to this vision.

Moreover, in the era of Industry 4.0, India's employment landscape is rapidly evolving. Education must not only keep pace but stay ahead, integrating cutting-edge technologies to equip learners with the skills needed to thrive in a future of innovation and adaptability.

Pro-Vice Chancellor's **MESSAGE**

DR. AMIYA SINGH
Pro-Vice Chancellor (Academics)
Medhavi Skills University

The year 2024 has been a defining milestone in the journey of Medhavi Skills University (MSU), as we continue to transform higher education through an innovative, skill-centric approach. Our commitment to enhancing employability among the youth has been unwavering, ensuring that students not only gain technical knowledge but are also equipped with life skills for a holistic development into confident professionals.

Over the last decade, rapid advancements in technologies like Big Data, Gen AI, Cloud Computing and IoT have driven the transformation in the educational sector. Innovation in curriculum design and lifelong learning remains at the heart of our academic philosophy. At MSU, we continuously evolve our syllabus to align with the latest industry demands and technological advancements. Aiming at digital inclusion, MSU is committed to building a sustainable education ecosystem that nurtures talent, drives economic growth, and transforms lives.

MSU stands as a beacon of empowerment, particularly for Northeast India, where it plays a pivotal role in empowering the youth. Through the utilization of NEP 2020 provisions like Recognition of Prior Learning (RPL), we facilitate students to achieve their career goals to make higher education more accessible in the region.

With the support of our faculty, industry partners, and students, we will continue shaping a future where learning is not just about acquiring degrees, but about creating impact.

16th Sept, 2024

Students also explored corporate resilience at SIS India, learning life lessons on career challenges from senior professionals. Sessions on "Campus to Corporate Transition" and "Start-up and Entrepreneurship" offered practical insights into business environments and innovation. Engaging activities emphasized adaptability and strategic thinking for future leaders.

INDIA SKILLS 2024

22nd May, 2024

We celebrated a momentous occasion at Rangpo, Sikkim, as we welcomed back our brilliant champions, Radhika Chettri and Krishna Kumari Mukhia Sunwar, who brought home Silver and Bronze medals from the India Skills Competition. MSU became the youngest university to secure medals at the competition. Additionally, it was the first time Sikkim participated and bagged medals at the national competition. The celebration began with a warm welcome from MSU staff and students, followed by an emotional felicitation ceremony. Proud family members and the University Management honored Radhika and Krishna for their exceptional achievements.

Mr. Rishi Thapa, Assistant Registrar at MSU, emphasized the significance of the event for both the youth and the University, highlighting how their triumphs set a shining example for others. Mr. Bharat Bhushan, Assistant Dean, provided valuable insights into the rigorous selection process of the competition, giving everyone an understanding of the hard work that led to their success.

During the event, the medalists shared their inspiring journeys, expressing gratitude to MSU for its unwavering support and guidance. A lively media interaction followed, showcasing the pride of the entire community. The celebrations concluded with a cake-cutting ceremony organized by the Hospitality & Hotel Management department, followed by tea and snacks, creating a festive atmosphere. This event was a proud moment for Sikkim, as we celebrated the incredible accomplishments of Radhika and Krishna.

EXPRESSION 2024

17th-25th Feb 2024

Medhavi Skills University successfully organized its annual fest, "Expression," with great enthusiasm and accomplishment. The event featured vibrant activities, including group and solo dance performances, melodious solo singing, and a dazzling fashion show by students. The audience was captivated by electrifying musical performances from MSU's renowned bands, including Fusion Front, Day Dreamers, and Saroj & the Revival. The highlight of the fest was a live DJ performance by DJ Oly from Ukraine, making her debut in Sikkim, which created an electrifying atmosphere. The festivities continued with performances by Riddles and Tribal Rain, ensuring a memorable conclusion to the event.

CELEBRATIONS

Sikkim State day

16th May, 2024

We proudly celebrated Sikkim State Day, honoring the rich culture, heritage, and achievements of the vibrant state. The day was filled with enthusiasm as students and staff came together to showcase traditional performances, cultural exhibits, and inspiring stories of Sikkim's progress. This celebration reflected our commitment to embracing diversity and fostering unity. Together, we continue to learn, grow, and celebrate the unique spirit of Sikkim.

Aligned with NEP 2020 and the National Credit Framework (NCrF), it offers Graduate, Postgraduate, and Diploma programmes that recognize prior learning, enabling fast-tracked & work integrated higher education and career advancement.

MSU CRUX offers:

- UGC recognized work integrated, regular, full-time and fast-track 15-month Accelerated Skill MBA which is equivalent to any other 2-year MBA programme in India.
- 2-Year work integrated MBA Programme.
- 1-Year PGD in Management that also serves as the foundational year of the 2-Year Work-Integrated MBA programme.

UNVEILING SHINE

19th Nov, 2024

The Skill Hub for International Employment (SHINE), inaugurated in Ahmedabad by Medhavi Skills University's Office of International Affairs, addresses global skill gaps by empowering Indian youth with essential skills for opportunities in developed nations. SHINE collaborates with state and central governments to provide international apprenticeships, internships, and work placements. Additionally, MSU enhances international mobility across India as an authorized TestAS exam center for g.a.s.t. Academy, connecting aspirants to countries like Germany, the UK, USA, Australia, Japan, and beyond.

SKILL DRILLS

Fridays at Medhavi Skills University are truly transformative, turning ordinary weekdays into extraordinary opportunities for growth and discovery. Every Friday, traditional lectures made way for dynamic hands-on courses, offering students an exciting blend of creativity and practicality. From Tourism Entrepreneurship and Phlebotomy to Nutri-fit, Music, Mobile Filmmaking, Health and Social Care, NSS, Bakery, and more, Fridays are a celebration of diverse talents and interests. Students mastered the art of crafting perfect pastries, shooting captivating short films, and learning cutting-edge healthcare techniques—all in just one day. These immersive sessions ignited passions, fostered creativity, and equipped students with real-world skills essential for professional success. MSU is committed to redefine education by going beyond books, empowering students to transform interests into expertise. Each Friday is an adventure, a step toward building a brighter, skill-oriented future.

ON THE JOB TRAINING

In 2024, Medhavi Skills University (MSU) successfully organized extensive On-Job Training (OJT) programs across various sectors, reinforcing its commitment to skill-based education and employability. These programs were designed in collaboration with industry partners to bridge the gap between theoretical knowledge and practical application. Students gained hands-on experience in sectors such as healthcare, hospitality, management and more working alongside professionals and learning industry-relevant skills in real-time. By integrating work-based learning with academic curriculum, the OJT initiatives not only enhanced students' technical expertise but also equipped them with critical soft skills, making them job-ready.

TESTIMONIALS

I'm Sabina Mishra, an MBA student at Medhavi Skills University. My journey here is all about hands-on learning and real-life skill enhancement. In our MBA program, we don't just learn theories; we apply them through live projects, case studies, industrial visits, and workshops. These experiences help us develop essential workplace skills like teamwork, problem-solving, and decision-making. Medhavi Skills University is shaping me into a confident professional ready for the corporate world. If you're looking to grow your skills and career, this is the place to be.

I am Lalit, a Hotel Management student at Medhavi Skills University. I am currently training at Seven Seas Hotel, Delhi, under the Learn and Earn model, where my stipend covers my tuition fees, easing the financial burden on my family. Specializing in the Front Office, I am gaining valuable industry insights. Medhavi's practical approach and assured placements make it a perfect choice for a secure future.

I'm Pooja Limbu, a 5th-semester BSc Hospitality & Hotel Management student at Medhavi Skills University. My journey with the School of Hospitality and Tourism has been transformative, blending hands-on training, expert faculty guidance, and real-world projects. My on-job training at ITC Royal Bengal, Kolkata, helped me to gain invaluable experience. I overcame challenges, and honed skills in handling diverse opportunities. This exposure has prepared me to excel in the dynamic hospitality industry.

NSDC and Medhavi Skills University sign MoU for NCrF implementation

The partnership focuses on empowering the large network of NSDC Skill Training Partners across India to align, accredit and formalise their professional short-term fee-based programmes so that Academic Credits can be awarded to the candidates in line with the National Credit Framework.

Pravesh Dudani, Founder and Chancellor, Medhavi Skills University said, "India's education landscape stands at a critical juncture. The Budget 2025 should not only bridge existing funding gaps but also propel us into the future by integrating next-generation technologies like AI, IoT, and robotics into mainstream curricula. By substantially increasing public spending on education and fostering robust industry-academia partnerships, we can build a globally competitive, job-ready workforce—one that will drive inclusive growth and bolster India's standing as a leading knowledge economy."
